## UBER

Save \$20 on your first uberPOOL ride in NYC.

With uberPOOL you'll be connected with people riding along a similar route to get you to your destination quickly, at a price the fraction of a New York City taxi. uberPOOL is up to 25% cheaper than uberX and only adds a few minutes to your trip.

How does it work?

1. Enter the promo code **NYCGOPOOL** in the 'Promotions' section of the app. New to Uber? Sign up at <https://get.uber.com/go/nycgopool>
2. Select the uberPOOL option at the bottom of the slider
3. Request and ride—you may be matched with another rider traveling along a similar route

Good news: Lyft, the app that gets you rides in minutes, is the ridesharing partner of NYC & Company. Even better news: You get \$5 off your first 2 rides with code **NYCGO18**.

Here's how it works: 1. Download the Lyft app 2. Request a ride 3. GO. Or, click [here](#) to have the code automatically applied once downloaded from the link. Code valid for new users only.
