

# OVERPROOF

## INGREDIENTS

### BOTANICALS

- Juniper
- Grapefruit Peel
- Mt. Hood Hops
- Aromatic Barley Malt
- Coriander Seed
- Chamomile
- Orris Root

### BASE SPIRIT

Bimini Gin uses a neutral base spirit made from non-GMO American corn and distilled four times for exceptional purity.

### WATER

Originating in the White Mountains of New Hampshire, the water in Bimini Gin comes from the Saco River which flows past the distillery to the Atlantic Ocean.

## PROCESS

The botanicals are separated into groups. Each group is milled, macerated for 2-4 days, and distilled separately. Using a packed column with a dephlegmator, the vapor temperature is closely controlled to minimize the juniper's "pine tree" notes and maximize smoothness.

## UNFILTERED = MORE

Bimini Overproof has more flavor than regular Bimini Gin because none of the botanical oils are filtered out. Why is regular Bimini Gin filtered? Oils dissolve in alcohol, but they separate from water. When we dilute the original Bimini Gin to 94 proof, the botanical oils begin to fall out of solution making the gin appear cloudy. We didn't think the world was ready to buy a bottle of cloudy gin, so we filtered out just enough oil to keep regular Bimini Gin clear at room temp.

At 111 proof, Bimini Overproof stays crystal clear at room temp with no filtration necessary. This means every drop of flavor we've extracted from our botanicals goes into the bottle.

## TASTING NOTES

Filtration removes more of some botanical oils than others, which means Bimini Overproof has a different balance of flavors than regular Bimini Gin. In particular, the juniper is more robust up-front and the hops more clearly defined in the middle palate.

## DISTILLERY

Founded in 2015, Round Turn Distilling is located on the coast of Maine in a 150 year old textile mill. Bimini Gin is made and bottled by hand.

## BIMINI?

The Bimini name was inspired by Ernest Hemingway's novel "Islands in the Stream" set in the 1930s on the island of Bimini in the Bahamas. The main character drinks gin with coconut water, lime, and angostura bitters while relaxing in the shade on his boat.
