FB International will provide Cart Service for your event. **CART SERVICE** is a feature for Privately Owned Vehicles (POVs) that meet the requirements below.

DEFINITION OF PRIVATELY OWNED VEHICLE:

Privately Owned Vehicles are defined as cars, pick-up trucks, vans and other trucks primarily designed for passenger use, not cargo or freight. Vehicles that do not qualify for this service, or that have material that requires mechanical assistance to unload, will be directed to the FB Marshalling Yard.

The determination of Cart Service versus Material Handling will be made at the discretion of FB International management. Any disputes will be handled at the time of unloading.

Workers equipped with a flat cart will assist Exhibitors with unloading. Each cart will handle a load approximately 3' wide x 4' long x 3' high. Freight must not exceed 300 lbs. For safety reasons, it will be the judgment of Freight supervisor if the load can go higher than 3 feet. cart service includes storage of cardboard/product boxes at no additional charge. Empty stickers for your cartons and cases will be provided for this service.
