Shipping is the process of carrying your shipment from your location, pickup area to its destination and the process of returning your shipment back to your location after the close of the show. CWT is an acronym for Century Weight, therefore it means per 100lbs.

IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual). FB INTERNATIONAL will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule). The warehouse will receive shipments Monday thru Friday, 8:00am - 3:30pm, excluding holidays. Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. Crates, cartons, skids, fiber-cases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times. All shipments must be prepaid, no collect on delivery shipments will be accepted.

MATERIAL HANDLING CHARGES

What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100lbs. For example: 285lbs. = 300 lbs. / 100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

What are UNCRATED materials?

Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization form.

What is and why would I need liability Insurance?
