AN EXCEPTIONAL MIXERS COLLECTION

UNIQUELY ELEGANT

CLASSIC LONDON TONIC WATER

A precise balance of sweet citrus notes, pleasantly bitter quinine and distilled juniper essence. We recommend pairing this modern classic with London dry gins, grain based vodkas and even aged rums.

GRAPEFRUIT & ROSEMARY TONIC WATER

A precise balance of crisp grapefruit oils and distilled rosemary essence, with a hint of quinine. This pairs well with citrus led gins and, if you feel adventurous, discover how it complements the bitterness of aperitifs.

BITTER ORANGE & ELDERFLOWER TONIC WATER

A precise balance of tangy orange oils and distilled elderflower essence, with a touch of quinine. This complements the ever-expanding range of juniper heavy gins, grape or rye based vodkas and, more innovatively, reposado tequilas.

PERFECTLY SPICED GINGER BEER

A precise balance of steeped ginger root, background notes of spice and a distilled essence of hops. A wonderful combination with vodka, dark rum, bourbon, or try with añejo tequila for a twist.

DELICATE LONDON GINGER ALE

A precise balance of steeped ginger root with background notes of distilled aniseed essence. We suggest pairing this with a variety of blended whiskies or, for a contemporary take, try it with a cognac.

SODA WATER

A precisely balanced and filtered soda water. Pair with whiskies to create a smooth finish.
