

## Not-to-be-missed spirits events in 2020

The start of the year is the time that those in the spirits industry open their new diaries and mark the dates of some of the top trade shows and festivals to attend over the next 12 months.

From the world's largest cocktail festival in New Orleans to a new wine and spirits trade show in Paris, we present some of the unmissable spirits events for the year ahead.

Click through the following pages for the world's most important and unmissable spirits industry events in 2020.

### Bar Convent Brooklyn

**9-10 June**

Since its first instalment in 2018, Bar Convent Brooklyn has become a staple in the industry calendar. At the show, visitors will have the opportunity to network with the on-trade and drinks industry professionals, and learn about new trends, techniques and products.
